Dear The Federal Communications Commission,

Dear Chairman Martin, First off I would like to congratulate you on your new job position. Well, i'm writing you this letter because i got an E-mail from "Trakfone wireless" and it said something about me paying more money for my pre-paid phone card. That kinda bother me, but if it was a HUGE problem, i'd just switch phone companies. But it's not a Huge problem. At least not yet. I am only 16 so this letter might not seem very "proffesional". But, i'm not proffesional. And if i were to use the letter that all those 129,941 people were using, then i would be lazy and also Phony. So I took time to write you this e-mail hoping that you will write me back with more information on the ufc and the fcc stuff. thank you very much!!!! Have a good day!
=> sincerely,

Salvador Aceves Jr.

Sincerely,
